## ***Parisian Intrigue - OOK Doll***

This is the one of a kind doll auctioned at the 2003 IFDC in Dallas. She was designed by Jason Wu and produced by Integrity Toys. It was on display at Katy's Kollectibles until the store closed. Pictures in this page were provided by the owner.

Jason Wu and Percy Newsum posed with Linda Love of Katy's Kollectibles, who was the lucky winner of the One-Of-A-Kind "Parisian Intrigue" Veronique Perrin doll. The doll sold for \$4,000 and all proceeds went to the CAAF foundation.

## ***Exclusive Representative Collection***

This collection came out at the end of 2003, during December. It featured only Veronique Perrin in its original body mold. This collection's name is because each item was exclusive to a dealer. Power Play's release date was postponed to early Spring 2004.
