

## ***W Club Exclusives***

These dolls were offered exclusively to the W Club members throughout the year. Club membership cost was \$50, there were around 1,200 members. It was the debut of Model Behavior character Giselle Diefendorf, who along with Colette Duranger had said body mold – their boxes’ stripe stated “Model Behavior” instead of the traditional “Fashion Royalty”. Vanessa featured the 2.0 Body Mold, Purple Rain was also made for this mold.
